

***The MFA Grant** is dedicated to Ryan's father, Mark F. Avery. Mark introduced Ryan to Toastmasters and paid for his first year of dues because Ryan was short on cash. Ryan and Chelsea have a passion for helping young adults and want to provide them with communication and leadership skills through Toastmasters by covering their dues for the first year.*

If you are currently a non-Toastmaster between the ages of 18-25 and could benefit from opportunities of joining Toastmasters, please fill out the application below.

We are currently selecting one person a month. If you are a final candidate, we will contact you via email. We will also follow up with you at your 6th month mark and ask for your insight and feedback after being a Toastmaster for a year.
